- Keeping Hope and Dreams Alive

Dear Guests:

We are delighted to have you spend several nights with us in our park, at the foot of the Mt. Hood National Forest, and to join in on all the musical escapades that await you at the Spring Fling Rendezvous!

Our facilities have been upgraded and you will find new unisex showers and bathroom with ADA accommodations, just off the hot tub area. Also both the women's and men's restrooms in the dorm contain showers, the repairs to the men's shower have yet to come about so we suggest you use the new showers mentioned above.

We have an onsite Park Host, Susie Ripley, who will be on the property during your entire stay to ensure your stay is perfect! Susie's cell phone number is: 503-442-3117 should you need to contact her for any reason.

Our 22 acre site was gifted to us by Albert and Oral Hull in 1962 as a retreat for the blind and vision impaired. Since then, local Sandy and Gresham businesses, fraternal and service groups, churches and individuals have been assisting us to establish the facilities you will be enjoying.

We are a 501 (c) (3) non-profit and must rely on our rentals and donations to support the operational and administrative costs of maintaining the park and programs we offer to the blind and low vision community. If you would like to hear more about renting any portion or the entire park for your next reunion, wedding, business or association retreats, music festivals, car rallies, etc., please do not hesitate to contact me personally for the best rates, hands down, on any portion of our park and facilities. We also maintain a commercial kitchen and staff which will deliver mouth-watering meals for you all to enjoy.

We know you will enjoy your stay with this great musical group and play an active part in this memorable weekend. Keep reaching for those high notes!

Warmest regards,

Sharon Elder
