Skill Levels Explained

Beginner: For folks new to the dulcimer experience who still are figuring out where the notes are, and need help with basic hammering techniques and scale patterns.

Novice: You know the basic layout of your dulcimer and how to tune it, but might still need help with hammering patterns. You are comfortable playing some simple tunes by ear and/or music. These classes will help you learn some chords, gain more comfort with your instrument, and increase your ability to learn tunes by ear and from written music.

Intermediate: You have basic hammering and chording pretty much figured out, and know where the notes are on your instrument. These classes will help you with ornamentation, hammering techniques, and getting tunes up to tempo.

Intermediate/Advanced: Feeling good about your playing, but not ready for hyper-speed? We've lots Intermediate and Advanced players, so folks can self select into which of three groups sounds like the right fit.

Advanced: You have the ability to lead with either hand, play by ear and/or music/tablature. You are very familiar with the layout of your dulcimer and can play melodies and chords in the major and minor keys "native" to your instrument.

Meals

Oral Hull's kitchen staff attempt to accommodate special dietary needs. They make gluten free, vegetarian and vegan options available for us. We've passed these suggestions from previous participants, which the staff have taken to heart:

Please don't put cheese in the salad!

When making gravy, make it gluten free!

Provide plenty of fruits and vegetables separate from meat and dairy items.

However, we also have a suggestion for registrants passed on from one of our "specialty diet" folks: "Remind participants and guests who have strict dietary requirements to bring some of their favorite specialty supplies to supplement the food we provide that works for them."

Oral Hull

Our gathering takes place at Hull Park, which is run by Oral Hull Foundation for the Blind. Located a couple miles from downtown Sandy, Oregon, the site has a view of Mount Hood and plentiful greenery. The facility has worked well for us. There are several discreet sound spaces, which enables concurrent music workshops. They have a fine kitchen, and feed us well, and their dormitory rooms are clean and comfortable, and (unlike some sites we looked at) are provided with bedding and towels, and even have heat, in a manner befitting bourgeois monastics :)

We're happy to be back again for the 2017 HD Rendezvous!

Oral Hull Foundation does good work for the blind and low vision community. That is their mission – tax-deductible donations for their good work are welcome. Read up on what the Foundation is about here: <http://www.oralhull.org>

For those of you in the area: Sharon Elder, the director of Oral Hull, reminds us that when they don't have regularly scheduled events, they supplement their non-profit donations by making the facilities available for weddings, parties, reunions and retreats.

Registration Math, mostly figured out –
Please double-check the math, just to be sure!

Early Registration, staying on site in dorm:

One Participant = \$445.

One Participant plus one Guest: \$705

Early Registration, camping/RV on site:
